# SPORT TOURISM BENEFITS

Ringette attracts visitors to local communities and helps to generate economic spending.

It can add millions to your local economy, creates jobs, and boosts tax revenue!

## **Ringette events impact three main categories:**

- **Direct** (hotels, restaurants, retailers, transportation)
- **Indirect** (goods and services)
- **Induced** (employee spending)

Supporting a ringette event in your area can be a major economic contributor for your brand recognition and growth in your community!

# BENEFITS TO YOU

## **Visibility: Reach a Large and Engaged Audience**

- Gain extensive exposure to over 10,000 attendees and a wide online audience.
- Attendees are passionate about ringette, family-oriented and interested in health and wellness

## **Engagement: Direct interaction with potential customers**

- Engage with a dedicated audience through on-site activations, contests and branded zones
- Create memorable brand experiences and long-term partnership opportunities

## **Brand Alignment: Align with Values of teamwork & excellence**

- Associate your brand with the positive values of teamwork, sportsmanship and youth development
- Enhance your reputation and credibility

## **Community Impact: Support Youth Sports and Local Development:**

- Contribute to the growth and empowerment of young female athletes
- Promote local economic development
- Support a sport that values diversity and inclusivity

# SOCIAL IMPACT

- **The Canadian Ringette Championship (CRC) is BIG!**
- In addition to sell-out crowds for the past 3 years, we also have individuals all over the world tuning in to watch.

## **In 2025 we had:**

  - 4.4M YouTube impressions
  - 50K hours of YouTube Watch Time
  - All 180 games and events were shown on CBC, with medal games being featured on **CBC Sport Online**
  - 25 + countries tuning in to watch
  - Average 250 000 daily views of our event photographs on Flickr
- 
- All of the above helps to generate more interest and viewership of the sport and the sponsors that are there to support the event.
  - As well as determining champions, the tournament provides athletes with the opportunity to compete at the elite level, encourages fair play and interprovincial goodwill, and increases the visibility of the sport across the country.

- The 2025 Canadian Ringette Championships generated **\$5.8 million of overall economic activity in Ottawa** through the combined spending of out-of-town athletes, family members, spectators and other visitors.

**\$3.0 M**

of visitor  
spending in  
Ottawa

- The total net economic activity (GDP) generated by the Canadian Ringette Championships in Ottawa (2025) was:
  - \$3.3 million for Canada as a whole;
  - \$2.8 million for the province of Ontario; and
  - \$2.2 million for the City of Ottawa

**\$5.8 M**

overall economic  
activity in the  
province

- Of those surveyed, **95% said that they would come back** to another Canadian Ringette Championships **regardless of location**

**\$1.4 M**

of wages and salaries  
supported  
locally

According to a 2024 study published by Deloitte Insights, corporate sponsors receive **7x return on their investment** in women's sports,

# IN-KIND SPONSORSHIPS

An excellent opportunity for businesses to support the Championships by offering products or services instead of direct financial contributions (i.e. athlete gifts, special discounts for event attendees, printing, office supplies, tents, provision of meals, etc.). There are lots of opportunities. Please reach out and let us know what you can do!

# CUSTOMIZED SPONSORSHIPS

Don't see anything you like? Let's talk!

We can also offer customized activation opportunities tailored to your business's specific goals, ensuring maximum impact and alignment with your brand's objectives.

# WHY SUPPORT RINGETTE?

**Aside from being the right thing to do, there are a myriad of reasons why it's \*so\* important to the overall well-being of society to invest in opportunities for women & girls in sport:**

Girls who play sports report higher levels of confidence at all ages.

- Women's Sports Foundation

Girls who play sports have higher GPAs. Sixty-one percent of high school girls who have a grade point average above 4.0 play on a sports team.

- The Girls Index from Ruling Our eXperiences, Inc. (ROX)

Girls who play sports have a more positive body image than girls & women who do not.

- Women's Sports Foundation

94% of female C-suite executives played sports when they were younger.

- EY

Girls who play sports have lower levels of depression than non-athletes.

- Women's Sports Foundation

Girls who play in sports are more likely to pursue their dream careers.

- The Girls Index from Ruling Our eXperiences, Inc. (ROX)

**It's simply good business to invest in sport for women & girls.**

# ENGAGE WITH OTTAWA TOURISM & THE PROVINCE OF ONTARIO

Ottawa Tourism and the Province of Ontario have once again committed to supporting the Canadian Ringette Championships.

These Championships have had a positive economic impact for Ottawa and the Province of Ontario bringing in **\$5.8 million in total expenditures** in 2025 through the combined spending of out-of-town athletes, their families, spectators, and other visitors.
